RE; Claim #8034  
U S Bankruptcy Court  
Southern District of NY  
General Motors Bankruptcy

Dear Judge Gerber,

As a GM Bond holder, I have tried to get information as to why I am being excluded from the bankruptcy distribution. I have tried to view the objection on the "internet", tried to telephone, and e-mail, but with no success. We did get a telephone call, but the connection was very bad. We were advised not to do any thing.

I have 5,000, par \$25, bonds in a "street " account at Merrill Lynch in Atlanta Ga. The bonds are "CV SR PFD DEB 6.25%. Ticker Symbol GPD". The only one that I have had any contact with is Motors Liquidation Corp., and that has been about two times. Merrill Lynch also lists Motors Liquidation Corp. as the agent for my claim. A copy of my latest statement from Merrill Lynch is inclosed.

I did receive a check from "General Motors Securities Litigation". I thought that it was for a settlement about the price that I paid for the bonds.

It was stated that my interests would be represented by Wilmington Trust Co. I have never been in contact with them in any way. I believe that if I am disallowed from Motors Liquidation Corp. that I will have lost all of my investment.

Sincerely,

Thurman B. Sanders
